MC 2245/2007
BEFORE
THE HON'BLE MR JUSTICE AFTAB H SAIKIA

Heard the learned counsel for the parties.

It appears that by the interim order dated 30.5.07 passed in this connected writ petition, Notice inviting tender (for short,'the NIT') as a whole was brought within the purview of the interim order though the petitioner's request was only to interfere with the markets namely, Balikuri, Kadong,Satrakonara , Jania hats and Kadong Beki Parghat.
so mentioned in the NIT.

In consideration of the averments made in this Misc. Application and also upon hearing the learned counsel for the parties, this interim order dated 30.5.07 is modified to the extent only to cover those above mentioned markets.

The authority may proceed with the settlement process of the other markets pursuant to the NIT dated 17.4.2007 save and except those mentioned herein above.

This disposes of the Misc. case.
